Our Story

GoToTrafficSchool launched one of the first fully online traffic school programs in California in 2000, replacing the inconvenience of classroom courses with flexible alternative. Since then, more than 10 million drivers have completed courses through our platform. Today, we operate nationwide in every state that allows online traffic school, defensive driving, or driving, or driver improvement programs.

Traffic School, Defensive driving, and driver improvement may vary by state but the goal is the same: meet requirements, avoid points, and stay compliant.
